The deputy which nate reached its reached that reached its length of its trousers and the fit of his cost. When finally arrayed in prison garb he looked up inquiringly at the deputy, and a smile was on his fare when his cost.

small court where some working, were busy repairing a pavement.

Toraing again to the right, the new convict entered a corridor about thirty feet long. It is the solitary confinement and receiving department.

Prison Chaplain J. J. Walter entered and examined Mackle as follows:

Have you ever attended Sunday-school?

Are you now a member of any church?

What is your grade of education? Common school How long have you attended school?

Eight vencs. What are your habits? Abstinent Are your parents living?

Where were your parents born? In Ireland. Are you married?

Have you say children:

The examination was recorded and placed on file, and the convict's description was next taken and recorded. It is as follows:

as follows:

Convict received Nov. 19. Name, Joseph C. Mackin. Registered number, 7335. Sentence, five years. Crime, perjury. Age, 36. Height, 5 feet 7 inches. Weight, 185 pounds. Complexion, medium dark. Eyes, grayish blue. Hair, dark brown. Chin, neavy. Nativity, Pennsylvania. Occupation, real estate dealer and speculator. Name and address of pearest relative. Mrs. J. C. Mackin, 150 of nearest relative, Mrs. J. C. Mackin, 150

engine was covered from the pilot to the tender with blood and pieces of flesh," "The worst animal to encounter on a railroad track," continued the engineer, is sheep. Even if they are on the outtrack when the first opening is reached.

And the one that takes the lead is followed by all the rest. Hogs make a bad mess. I bit a drove one day while running fifty miles an hour. Realizing I could not stop before reaching them, I let the engine have all she could take. There was a slight jarand a moment later the porter-

# STATE NEWS.

Gatherings from Over the State Reported Specially for the Curette by Its Own Correspondents

## Sawed His Thront.

Special to the Gazett Datias, Trz., Sov. 21.—It is reported that a shormaker named Hoffman at Lan-caster committed salede by cutting his throat with a razor early this morning Domestic infelicity is given as the cause

Horaros, Tax., Nov. 34.—This even-log at 4:50 a freight train ran over and killed W. A. Love, a brakeman, who ar eidentally fell from the top of a car.

The burlat of Ella Evans, a cyprian, took place this evening. A large number of her blends attended the remains to their last resting place

which his companion did not seem to understand. The deput towned a little, said cartly; "This way, sir."

Without a word Mackin followed his companion again late the open air, this time not as Joseph C Mackin, politician, but as "Convict No. 7339."

After passing down the flag-stone walk a few yards further they turned into a small court where some workmer, were busy repairing a payement.

## Admitted to the Bar-District Court. elal to the Gazette

Pattstine, Tex., Nov. 24.—The entire week will be taken up by the district court with the trial of non-jury cases.

Mr. Selden A McMeans, after a most creditable examination by Messrs.

John Young Gooth, A. W. Gregg, and W. In what church have you had religious of the state this mornitude.

O. Reeves, was recommended and admitted as a practilitoner in the district and inferior courts of the state this mornitude.

## Killed by a Bunaway.

Sportal to the Gazein Dallas, Tex., Nov. 24.-Mrs. James Enwight of Piessant Valley started to the city in a buggy this afternoon. A short distance from her home the horse which she was driving took fright and ran away, upsetting the vehicle, throwing her out. She was so badly injured that she died in a few minutes. Mrs. Enwright was a sister to Mrs. James Moroney of the kind in the state.

# Sues for Damages.

Special to the Garette.

WEATHERFORD, TEX., Nov. 24. - To-day a defamation suit was filed in the district court by Jasper N. Hancy, member of the Weatherford bar, against A. L. Mor-riss, a prominent merchant of this place, Hancy alleging that his character has been damaged to the amount of \$10,000 by the slanderous talk of Morriss. These gentlemen are both prominent and well-known citizens, and there is no doubt much interest will be manifested when the trial takes place

# Almost a Necktic Party.

night about forty men went up to the jail for the purpose of taking the prisoner out and lynching him. Our sheriff prevailed on all of them to let the law take its people of this (Bell) county liminary examination to-morrow.

## A Premature Spring. Special to the Gazette.

Dallas, Tex., Nov. 24.—Mr. J. S. Thatcher, who is doing some engineering for the Texas & Pacific rallroad up in the river bottom, brought to the city last evening a number of bads which he took from cotton-wood trees. He says that the leaves at this season are still green on the cotton-wood and a full set of new buds have come out in the midst of them. The months earlier than usual.

# Marshall.

Special to the Garette. MARSHALL, TEX., Nov 24 .- A cold wave struck this section yesterday even-ing and it has grown colder every hour. At 10 o'clock this morning scattering snowflakes were falling, but the sun came out again and put a stop to the snowing.
Eureka lodge No. 2, K. of P., of this
city, sent \$25 to the Knights of Pythias'
relief fund of Galveston.

Mayor Pitts has received a dispatch from Mayor Fulton acknowledging the receipt of Marshall's contributions.

# Pendletonville.

PENDLETONVILLE, TEX., Nov. 23 .- The probibition question will be put to the people of this (Bell) county on the 8th prox, and the advocates of the cause are marshaling their clans for the contest. The temperance council here gave an entertalument on the night of the 21st lust. to members of the neighboring councils which was pronounced a splendid success. A large crowd was present. Several rousing speeches were made, and plenty of good things for the inner man-except

good liquor—were provided.

Agron Abbott of this vicinity had seven ty-three sheep killed on one day and thirty one on another day of last week by warm weather has brought spring on live trains on the Guif, Colorado & Santa Fe railroad.

# A Partial success.

There is a woman living down Howard street who reads the newspapers. She rend is a newspaper the other day that a Boston woman cored her husband of run-ning out nights by making him jealous. The idea was a good 'un. She let her sister into the plot, and the sister's husband might have been seen sneaking into and out of the house at a late evening hour. Some of the neighbors got held of it, and some one wrote to the husband:
"Beware! As a friend I would advise you to watch your wife!"
His wife saw the bud of suspicion in

his eye, and was hugely pleased. She told her sister, and there was great eaching. Sister told her husband, and he slapped his leg and exclaimed: "Ha! ha! ha! We've got him on the
